

How to log onto Blackboard without using uLink

1. In the search tab, type in <https://uj.blackboard.com>
2. Click on **Agree & Continue**

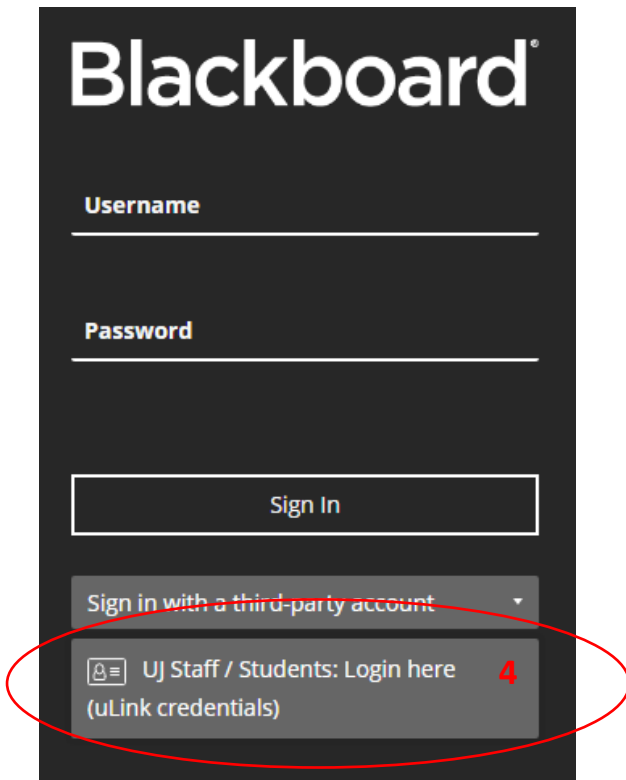

NB! Do not enter immediately your username and password. To sign in to the UJ system you need to sign in with a third party account.

3. Click on **Sign in with a third-party account**

4. Click on [UJ Staff/Students: Login here](#) (using your uLink credentials)

5. Select the [Advanced](#) option

Your connection is not private

Attackers might be trying to steal your information from cas.uj.ac.za (for example, passwords, messages, or credit cards). [Learn more](#)

NET::ERR_CERT_SYMANTEC_LEGACY

- Click on [Proceed to cas.uj.ac.za \(unsafe\)](#)

Your connection is not private

- On the next page, [Enter your uLink credentials](#) and login to Blackboard

UJ Central Authentication Service (CAS)
CAS is a single sign-on website, you can use this website to login to UJ services such as Blackboard.

Use your uLink credentials to login.
